

The Sandy Blackwell Memorial Scholarship

Sandy Blackwell loved the sport of figure skating. Sandy was involved for many years in the Lilac City Figure Skating Club and the Eagles Ice Arena. Because of Sandy's love for figure skating, her family established an account in her name to assist figure skaters in furthering their abilities to skate.

In order to be considered for any funding, you must complete the application and submit it to the President of the Lilac City Figure Skating Club. The application will be forwarded to the committee that has been established for considering these applications. Please note that the Lilac City Figure Skating Club Board of Directors does not make any decisions regarding the disbursement of funds in reference to these applications, although Board members may be consulted regarding the applicants.

If you are a member of the Lilac City Figure Skating Club, or a member of the Learn to Skate program at Eagles Ice Arena, you are eligible to apply.

Be advised that there are no guarantees to receiving the assistance that you have requested, or the amount of assistance that you have requested.

Our hope is to periodically have events which will replenish the funds in this account. Please consider attending these events to "give back" to this wonderful program that has been set up in memory of Sandy. Should you have the means in the future to donate, or know someone who would like to donate to this account, please advise.

Sincerely,

Tami Henry
Daughter of Sandy Blackwell
On behalf of the application committee.
